

GOLF DE DUNKERQUE

INTERNAL

REGULATIONS

Edition of 05 January 2026

Preamble

The purpose of these internal regulations is to define the conditions of access, use, and behaviour applicable to all facilities of the Golf de Dunkerque, including in particular: the course, driving range, practice areas, pro-shop, changing rooms, club-house, restaurant/bar, car parks, and technical rooms (hereinafter referred to as "the Golf").

It applies to everyone entering the Golf grounds, whether they are members, visiting licence holders, visitors, students, companions or service providers.

He adds:

- federal regulations (Rules of Golf R&A / USGA, etiquette, pace of play),
- competition regulations,
- the safety instructions and specific signage present on the site.

The Golf Management, or any person mandated by them, is solely authorised to interpret, apply and enforce these regulations. Their decisions, made in the interest of safety, the smooth running of the site and respect for individuals, are immediately enforceable.

These Internal Regulations are established by SAS Dunkerque Golf Club, which reserves the right to add to or amend them at any time. Any amendment will be notified to users, by any means, and announced by means of display at the reception of the Dunkerque Golf Club.

The general spirit that presided over the implementation of this regulation is the ethics of golf (respect for the course and biodiversity, respect between users, respect for the teams at Golf de Dunkerque) in order to allow everyone to enjoy all the facilities in a friendly and sporting spirit.

Terms of Use of Facilities

1.1 GOLF INSTALLATIONS

1.1.1 Journey

To access the courses, all players must hold a valid ffgolf licence and, if participating in a competition, a valid medical certificate or health questionnaire.

1.1.1.1 Opening hours

The facilities are open all year round except on December 25th and January 1^{er} of each year.

Game rights are issued during the golf reception's opening hours, which are:

- 810:00 to 19:00 (High Season)
- 910:00 to 17:00 (Low Season)

They can be used after reception closing time.

Players are, consequently, informed and have accepted that by exercising their right to play after closing hours, they will not be able to contact any persons working for the Golf.

Access to the courses after the reception has closed remains prohibited for unaccompanied minors.

1.1.1.2 Minimum playing standard required to access the courses

To play on the VAUBAN course, you need to have the green card.

To play on the VALLIERES course, you need to have the green card.

1.1.1.3 Subscriptions

Several subscription categories are offered on one or more courses. The specific subscription conditions are available from the Golf reception.

The subscription is a right of access to the golf courses and facilities of the Golf de Dunkerque during its validity period and under the conditions relating to its category, within the limits of course availability.

Subscriptions must be paid, at the time of subscription, by cheque, bank card or direct debit.

Their validity period is established from date to date and according to the duration of the subscription taken out or according to the period for which the subscription is taken out.

1.1.1.4 Playing Rights (Green Fee)

Green Fees:

- Constitute a personal right of use of one of the Dunkirk Golf courses in the conventional order of play;
- Must be paid online or during the golf reception's opening hours and before accessing the courses;
- Can also be purchased online but check-in at the Golf reception remains mandatory.

Access to the courses is possible from the opening of the golf reception until the evening, provided that the green fee has been issued during the reception's opening hours.

Anyone found on the course without having paid their green fee will be immediately escorted back to the golf reception to settle it. The amount to be paid is equivalent to the green fee amount plus 50% and depending on the season.

In case of refusal to pay their playing fee, the user will be excluded from the Golf de Dunkerque facilities until the full amount due has been settled.

In the event of exceptional circumstances leading to the closure of the course, players who have paid a green fee at the Golf reception will receive a credit valid for three months, pro-rata to the number of holes played.

1.1.2 Booking tee times

Each player is required to book a tee time, either in person at reception, by telephone, or via the online booking platform.

Before proceeding to the courses, the player must go to reception to be registered.

Anyone who has booked a tee time and cannot play must inform the golf reception at least 1 hour before their tee time to cancel. Otherwise, the person will be attributed a "No-Show" (failure to honour their tee time booking). After 3 "No-Shows", the player will no longer be able to book in advance for 6 months.

Players must respect the tee times.

If a player has not reported to reception 10 minutes before their tee time, reception may reallocate the tee time to another player.

1.1.3 Conventional tour

The conventional round consists of playing the holes on the course in their exact numerical order from the appropriate tee.

Departures are made from tee number 1. It is forbidden to depart from tee number 10 unless authorised by reception or the official starter. In this case, players who have completed the first 9 holes will take priority.

The parties are limited to 4 players with one bag per player. The golf staff reserves the right, in case of high demand, to complete tee times to 4 players per party.
